Subject: R/C Swap Meet Opportunity!

Hi Club Members,

Matt Bingenheimer has kindly reserved three tables at the annual McMinnville R/C Swap Meet that is being held at the Yamhill County Fairgrounds on Saturday, March 12. Any (paid-up) member of our club is welcome to bring aircraft or gear to sell at the tables--just kick-in a few bucks (amount depending on how much space you use) to help defray the rental cost that Matt incurred. If you have a large amount that you would like to sell, please contact Matt ahead of time to be sure that there is enough space. His mobile number is [503-812-6238](tel:503-812-6238). If you only have a small amount of stuff, just bring it along with you. Table set-up runs from 8 to 9 am that morning. The meet itself runs from 9 am until 2 pm and only costs a couple of bucks to get in.

The swap meet is advertised to R/C clubs in Portland, up-and-down the Valley, and along the Central and North Coast. It's usually a well-attended and an enjoyable way for R/C fans to spend a Saturday. Even if you don't have anything to sell or trade, just stop by to look around--you might find just what you have been looking for--and visit with Matt and other club members who will be there.

Let Matt or me know if you have any questions. His email address is oregonthew@gmail.com

Pete Owston

p.s. Just a few friendly reminders: (1) Club dues of \$40 are now due for 2016. If you have not paid yours yet, you can find out how to do that by using the Web link www.ncrcm.com/join (2) Don't forget to register as an R/C pilot with the FAA by February 19. The Web site to accomplish that is RegisterMyUAS.faa.gov and (3) Be sure to renew your AMA membership to protect both yourself and the Club with the insurance that comes with AMA membership. All pilots flying independently at our field must be AMA members.
